

OSU HONORS COLLEGE ESSAY

Admission to the Oregon State University Honors College (HC) is competitive. Students who are eligible to apply must complete the appropriate HC application.

Students who are having difficulties paying the HC differential tuition are encouraged to speak with an honors advisor. A: No, the HC strictly adheres to its deadlines. Please provide specific examples, and explain fully how these experiences have contributed to your success thus far. Is it possible for me to be in the HC? Official scores from the testing agencies are required; we will not consider scores sent on a transcript as official. Q: Do I need a letter of recommendation? The Honors Associate track is specifically designed for students who transfer in to the HC with at least two years left in their undergraduate studies. Q: Do I have to be a first-year student to apply to the HC? Then, write an essay in which you: Briefly outline its failures or limitations. A: No, the Honors College does not accept letters of recommendation as part of the admissions process. A: First-Year students entering from high school minimum criteria: 3. Note that the application and all required materials application fee, test scores, transcripts, etc. The University Honors Program and the Ohio State Scholars Program are specialized programs for high ability students interested in joining academically stimulating communities within the larger Ohio State community. The HC recognizes that the HC Differential Tuition associated with enrollment in the Honors College can present a financial challenge for some students. It is your responsibility to ensure that your application is properly submitted. IB has prepared me for the highest quality of academic experience at OSU through a challenging high school curriculum. If you are offered placement into a Scholars Program: You will be given your individual Scholars affiliation automatically once you pay your acceptance fee to The Ohio State University. The contract asks students to indicate the area of campus in which they would prefer to live. Estimated TOTAL costs for the academic year living on campus 2 semesters of full-time enrollment. However, each student enters the HC with a unique timeline to complete all requirements. How are the Scholars Programs organized? What types of experiences have you encountered thus far that have contributed to your intellectual and personal growth? Students are encouraged to research our programs in order to find their best fit. When will I find out if I have been accepted? Students may receive housing contracts as early as March. Q: What if I don't meet the minimum criteria to apply? Failure to complete required steps may forfeit your offer or placement. When will I get information about campus housing, selecting my residence hall, and my roommate? You will be awarded your individual Scholars affiliation automatically once you pay your acceptance fee to The Ohio State University. All information must be filled out even if the questions also appeared on the OSU application. All Mount Scholars live in Halloran House, and participate in leadership training, service projects and retreats, while gaining support and mentoring from an intricate alumni and faculty network. We send notifications on a rolling basis beginning in mid-January and ending mid-April. In addition, to graduate "with Honors" or "with Honors Research Distinction," you must fulfill all requirements stipulated by your college of enrollment i.
